

# IN LEeward LAND.

## An Account of a Visit to the United States of America in 1892.

BY DR. FELIX L. OSWALD.

CHAPTER IV.

A hundred years ago the United States of America, according to tradition, had not yet been discovered by the white man. The legend of the discovery of the continent by Columbus is still in vogue, but the actual discovery of the continent is a matter of fact. The continent was discovered by the Indians, and the white man followed them.

CHAPTER V.

The first of the great men of the world were the men of the world. They were the men of the world, and they were the men of the world. They were the men of the world, and they were the men of the world.

CHAPTER VI.

The second of the great men of the world were the men of the world. They were the men of the world, and they were the men of the world. They were the men of the world, and they were the men of the world.

CHAPTER VII.

The third of the great men of the world were the men of the world. They were the men of the world, and they were the men of the world. They were the men of the world, and they were the men of the world.

CHAPTER VIII.

The fourth of the great men of the world were the men of the world. They were the men of the world, and they were the men of the world. They were the men of the world, and they were the men of the world.

CHAPTER IX.

The fifth of the great men of the world were the men of the world. They were the men of the world, and they were the men of the world. They were the men of the world, and they were the men of the world.

CHAPTER X.

The sixth of the great men of the world were the men of the world. They were the men of the world, and they were the men of the world. They were the men of the world, and they were the men of the world.

CHAPTER XI.

The seventh of the great men of the world were the men of the world. They were the men of the world, and they were the men of the world. They were the men of the world, and they were the men of the world.

CHAPTER XII.

The eighth of the great men of the world were the men of the world. They were the men of the world, and they were the men of the world. They were the men of the world, and they were the men of the world.

# TESTING THE LIGHTS.

## Sutro's Baths Lighted Up Yesterday.

An Eleven-Ton Piece of Rock Quarried.

The electric lights were turned on and tested yesterday at the new baths. The lights were tested in position, and the results were most satisfactory. The lights were tested in position, and the results were most satisfactory.
