

SAN FRANCISCO CHRONICLE, THURSDAY, MARCH 16, 1893.

NEWS OF THE WEEK.

Castaways From the Ship Belknap.

Prison on the Borders of China.

The Anti-Christian Crusade—People From a Death at Kiating.

A question which has been discussed in the columns of this paper since the capture of the ship Belknap, is the question of the fate of the crew. It is now known that the crew of the ship was taken to a place in the interior of China, and that they are being held in a prison. The people of the place are said to be very hostile to the Christians, and it is feared that the crew will be treated very badly. It is hoped that the government will take steps to secure their release.

HARPS AT CHICAGO.

THE BARRICADE A LEADING FEATURE.

Men Must March to be in Full Charge of the Arrangement.

Men must march to be in full charge of the arrangement. The committee on the part of the men has decided that they will march to the place where the barricade is to be built. It is believed that the women will also march, and that the two will be in full charge of the arrangement. The committee has also decided that they will build a barricade in the city, and that they will defend it to the last.

REMARKS BY THE GOVERNOR.

The Speech Delivered by the Governor at the Opening of the Session of the Legislature.

The Governor delivered a speech at the opening of the session of the legislature. He spoke of the state of the country and of the work of the legislature. He said that the state was in a state of peace and prosperity, and that the legislature was doing its duty. He also spoke of the work of the executive branch of the government.

A WONDERFUL MODEL.

The Union Iron Works' Model.

A Complete Miniature of the Great Vessels and Harbors.

The Union Iron Works has made a complete miniature of the great vessels and harbors. The model is made of iron and is very accurate. It shows the hulls of the ships, the masts, and the rigging. It is a very interesting and useful model.
