FOR THE HOMELESS CHILD

The Swastika Theatre has been secured by the local parlor of the Native Daughters of the Golden West for a big benefit to be given next Sunday evening. The proceeds of which are to the N. S. G. W. and N. D. G. W. Central Committee on Homeless Children, which was organized in 1910 for the purpose of bringing the homeless child and the childless home together. This Committee is composed of three members of the Native Sons, three members of the Native Daughters, and one each from each of the following charitable organizations; Protestant, Hebrew, Catholic, and Associated Charities, with offices in the Phelan building. Any person interested in any way at all, whether for the purpose of securing a home for the child or a child for a home are invited to communicate with the secretary, Mrs. Emma W. Lillie.
 A special program of selected vaudeville and moving pictures has been arranged for this date. The feature attraction will be "The Cliff House Baby," a beautiful two reel story full of interest and highly educational. This film is based on an actual occurrence that took place in San Francisco, and is the first Photo-Play ever filmed using San Francisco scenes only.
 In order to assure complete success a cash prize of \$5.00 in gold will be given to the person holding the winning number. All 25 cent tickets are numbered. The young ladies are now selling tickets and report that they are going fast.
 Tuesday evening next there will be a banquet in the Miramar to celebrate the success of the bond election.

Department of Agriculture Offers a Prize for Best Essay on Roads

A gold medal to the school boy or girl between the ages of 10 and 15 years who writes the best composition, not to exceed 800 words, on the repair and maintenance of earth roads, is to be awarded by Logan Waller Page, Director, Office of Public Roads, United States Department of Agriculture, Washington, D. C. All compositions must be submitted to Mr. Page before May 15, 1913, and the medal will be awarded as soon thereafter as the compositions can be graded. The composition may be based on knowledge gained from books or other sources, but no quotations should be made.
 After many years' experience in dealing with the public road situation of the country, it is Mr. Page's belief that ignorance of the subject of repair and maintenance of roads is as much the cause of their bad condition as any other one factor. It is expected that the competition will bring about a better understanding of the subject of repair and maintenance in the rural districts.
 Many children living in the rural districts have experienced the disadvantages of roads made impassable through lack of proper maintenance and it is expected that their interest in the competition will stimulate greater interest among the parents. Bad roads have prevented many of the children from obtaining proper education and have even prevented doctors from reaching the side of rural patients in time to save their lives.
 Any child between the ages mentioned, attending a country school, may compete. Only one side of the paper must be written on; each page should be numbered; the name, age and address of the writer, and the name and location of the school he or she is attending must be plainly written at the top of the first page. The announcement of the competition has been sent to the superintendents of the rural schools. No further information can be obtained from the Office of Public Roads. This announcement should be plain to everyone, and all children will thus start on a basis of equality.

BENEFIT FOR JACK CAMPBELL
 Under Auspices of Spanish American War Veterans
 The Spanish American War Veterans have planned a vaudeville show and dance on Saturday evening April 19th, at the Garden Theatre, the proceeds of which are to be given to Mr. Jack Campbell, who is a member of the Camp and has been on the sick list for some months. Mr. Campbell was one of the boys in blue who went to the Philippine Islands and fought for the cause he thought was right. While there he suffered the hardships of a soldier's life, which is now beginning to tell upon him. He is so ill that he is unable to perform any labor of any kind, and it is the advice of his physicians that he be sent to a dry climate. His comrades have got together and arranged this benefit. The bill is to be very interesting and those who attend will enjoy a delightful performance. Tickets 50 cents.

 The Attorney General holds that "from this time forth all mortgages no matter when made nor what their terms are exempt from taxation."
 The Constitutional Amendment which was adopted at the last general election, provided that a mortgage or deed of trust "shall not be considered property subject to taxation" and this operates as a decree by the people that the securities mentioned shall not hereafter constitute taxable property. Official duties in matters of taxation cannot be imposed or regulated by private contract.
PERSONAL PROPERTY
 The Assessor must collect the taxes on all personal property when in his opinion said taxes are not a lien upon the real property sufficient to secure the payment of the taxes. The Assessor or his deputy must collect such taxes at the time of making the assessment.
