DUTCH DEFEATED.

The Australian Outrowed by Peterson.

Remarkably Fast Time on a Rough Course.

A Victory Won by a Good Boat and Skillful Waterman.

The popular legend is that the Dutch boatman, who won the race, was a Dutchman. It is true, however, that the boatman who won the race was a Dutchman, but the boat was an Australian. The boatman, whose name is Peterson, was a Dutchman, but he was born in Australia. He was a very fast waterman, and he was in a very good boat. The boat was an Australian, and it was built in Australia. The boat was built by a Dutchman, but it was built in Australia. The boat was built in Australia, and it was built by a Dutchman. The boat was built in Australia, and it was built by a Dutchman. The boat was built in Australia, and it was built by a Dutchman.

The boatman, whose name is Peterson, was a Dutchman, but he was born in Australia. He was a very fast waterman, and he was in a very good boat. The boat was an Australian, and it was built in Australia. The boat was built by a Dutchman, but it was built in Australia. The boat was built in Australia, and it was built by a Dutchman. The boat was built in Australia, and it was built by a Dutchman. The boat was built in Australia, and it was built by a Dutchman. The boat was built in Australia, and it was built by a Dutchman. The boat was built in Australia, and it was built by a Dutchman. The boat was built in Australia, and it was built by a Dutchman.

Boaty Peterson.
