## SWIFT BY FLOODS.

Further Particulars of the Terrible Disaster at Sabine Pass, Texas, have been received, showing that the loss of life and property is still increasing. The water is still rising, and the situation is becoming more desperate every hour. The authorities are doing all in their power to rescue those who are still in the water, but the task is a Herculean one. It is estimated that the loss of life will reach several hundred, and the property destroyed will amount to millions of dollars.

## THE EASTPORT FIRE.

The fire at Eastport, Maine, has been fully extinguished. The cause of the fire is still under investigation. It is believed that the fire was caused by a defective chimney. The fire destroyed a large number of buildings, including several houses and a factory. The loss of property is estimated at several hundred thousand dollars. The authorities are doing all in their power to prevent a recurrence of such a disaster.

## A BIRD LAND LITIGATION.

A litigation over a large tract of land in the State of New York has been decided in favor of the plaintiff. The case involved a dispute over the boundaries of the land and the rights of the parties to the land. The court has ruled that the plaintiff is entitled to the land, and the defendant must vacate the premises. The decision is a landmark one in the history of land litigation in the State.
