EATS LUNCHEON ON CONTINENT'S EDGE President Pays Visit to the Cliff House and Shows That His Appetite is Sharpened by California's Pure Air.

WHEN the President arrived at the Cliff House, at 1:15 P. M., he had an hour left, his appetite was keen, and after recognizing the crowds that had gathered on the driveway and on the surrounding cliffs with a raising of his hat and a bow, he stepped into the Cliff House. He was taken up to the tower for a view of the ocean, and entered the hotel. He was taken up to the tower for a view of the ocean, and entered the hotel. He was taken up to the tower for a view of the ocean, and entered the hotel.

DISCUSSED THE NAVY.

The President was engaged almost throughout the luncheon by the earnest conversation with Admiral Rickford, who had been invited to the luncheon by the President.
